2009 Kawasaki KLX250S vs. 2008 Yamaha WR250R

Workaday commuters to urban playbikes to high-country trailbikes.

Mainstream media has latched onto scooters and all kinds of other forms of cheap, fuel-efficient transpo in these times of unstable gas prices and a crazy economy, but there are no better two-wheeled machines for saving money, riding anywhere you want and having fun than lightweight dual-purpose bikes. They totally peg the fun meter by being compact and easy to ride, while being unintimidating for almost everyone. They're also low in cost, get great fuel mileage and are easy to maintain.
